the Final Score Being

Richmond college won her second game of the E. V. I. A. A. cham-pionship race yesterday when she met and downed the Randolph-Macen Yellow Jackets at Boulevard field by the score of 27 to 7.

This gives the Spiders two games won and one lost, when the William and Mary Indians were the victors, and a good showing for the chamand a good showing for the championship. Coach Dobson sent in a wenderfully drilled team, who outplayed the visitors on all parts of the game. While two or three of the members of the team showed up particularly well, credit must be given especially to Zeigler, Towill. Snead and Broaddus. Both Zeigler and Towill made two touchdowns each, Broaddus kicked three of the goals and well as a good punting game throughout and Snead did wonderful work after he went in for Zeigler.

Substitutions were so numerous

Substitutions were so numerous that it could take three men writing constantly to keep up with them, which was true of the Rich, mond team especially. But it did the work. When Towill went in for Jones in the second period, on the first play he grabbed the ball out of the sky and raced thirty yards for a touchdown, while the Spider fans charged wildly. Towill also did great work later, taking advantage of holes in the Jacket line for substantial gains.

The game opened with Richmond college defending the North goal and Carter kicked off to Cochran, of the Jackets, who was tackled after he had made thirty yards.
Reardon made a yard, only to lose it through a penalty of five for offside. A forward pass, Gettle to Reardon, netted seven yards, but Gettle punted out and the ball was because it includes the seven yard. brought inside on the seven-yard due in possession of the Spiders.
